Take 290 East
Just before you get to Burton Take a right on 2502
When you get to the place called Greenville (there is not much here but a few buildings) take a left on Greenville Rd (it's just this side of the Greenville store)
Greenvine will dead-end into Boehnemann Rd.
Take a left at this intersection. Keep going straight, the road becomes a gravel road after a couple of feet DO NOT TAKE THE PAVED ROAD AROUND TO THE RIGHT.

Once on the gravel road, check your mileage and go 1.1 mile. If you pass a big blue barn, you went just a smidge too far. Look for our small white fence. Our gate is on the right.
Take a right and go up the drive 1/2 mile to our house.

It's a red brick house with a white metal roof.

Take 290 West to Brenham
On the west end of Brenham, Exit 389 and go left
Go 6 - 7 miles on 389
Take a right on Boehnemann Rd
You will pass the Bethlehem Cemetery on the right
Then you will pass Greenvine Rd on the left
Just past Greenvine Rd the paved road curves dramatically to the right....DON'T FOLLOW THIS ROAD
Stay straight (this is still Boehnemann Rd)...it turns into a gravel road at this intersection. Once you are on the gravel road, go 1.1 mile, our gate and drive are on the right.
If you pass a big blue barn, you went just a smidge too far. Look for our small white fence.
Go through the gate, then it is 1/2 mile up to the house.

It's a red brick house with a white metal roof.

If you wind up at the intersection of Mill Creek Rd and Beckermann Road....you accidentally followed the paved road around and missed the gravel road. Go back.
